Date: 10 July 2020

Notice

We are glad to announce that in addition to already running subjects like Physics, Chemistry, Mathematics, Biology & Statistics the following subjects are being introduced in the Higher Secondary section from the current academic session (2020-2022).

Economics, Geography, History, Political Science, Sanskrit, Philosophy, Education, Visual Art (Fine Arts) & Music.

Students interested to opt for Physics, Chemistry, Mathematics & Biology/Statistics as combination subjects must obtain at least 85% marks in aggregate and 90% marks in Science group in the Madhyamik Pariksha in order to gain the eligibility to apply for admission. An Oral Test over telephone will be conducted in Physics, Chemistry & Mathematics for such students.

Students interested to opt for Economics, Statistics, Mathematics and Political Science as combination subjects must obtain at least 85% marks in aggregate in the Madhyamik Pariksha in order to gain the eligibility to apply for admission. An Oral Test over telephone will be conducted in Mathematics and English for such students.

Students interested to apply for admission with any other subjects mentioned above must obtain at least 80% marks in aggregate in the Madhyamik Pariksha. An Oral Test over telephone in English & Bengali / Hindi will be conducted for these students.

The Admission Form and Prospectus will be available on the website of Purulia Vidyapith after the publication of results of Madhyamik Pariksha 2020. The candidates need to download the form, then fill in the form and send the scanned copy along with the required documents and the online payment details of the Admission Test Fees, Rs. 600/- through email (rmvp.admission@gmail.com).

The guardians may contact Br. Ajeyachaitanya, Headmaster through e-mail only (rmvp.admission@gmail.com) for further details.

This is for the information of all concerned.
